

Celebrating 25 Years of Academic Excellence of SUSL

ICSUSL 2021

01ST – 03RD DECEMBER 2021
BELIHULOYA, SRI LANKA

The 8th International Conference of Sabaragamuwa University of Sri Lanka

"Bridging Knowledge and Experience to Combat Global Challenges"

In a backdrop where the countries all over the world are confronted with multifarious challenges, ICSUSL 2021 will serve as a platform for bringing together researchers from a variety of disciplines to disseminate knowledge and finding practical solutions to current issues and global challenges.

Abstract Submission Deadline is extended till 15th July, 2021

Conference Themes

- ✓ Conquer the Challenges in Agriculture for Global Food Demand
- ✓ Applied Science Approaches for Combating Global Challenges
- ✓ Global Challenges, Geo-spatial Applications, and Sustainable Solutions
- ✓ Managing Global Challenges through Fostering Innovation and Creativity
- ✓ Indigenous Knowledge and Sri Lankan Models to Address Global Health Challenges
- ✓ Envisioning the Future of Social Sciences and Humanities
- ✓ Innovative Technologies for Sustainable Development

ICSUSL 2021 this time will **entirely be a virtual experience**. Hence, we are glad to inform you that our participants will **no longer have to pay a registration fee**.

ICSUSL 2021

The 8th International Conference of Sabaragamuwa University of Sri Lanka
1st – 3rd DECEMBER 2021

"Bridging Knowledge and Experience to Combat Global Challenges"

"Global Challenges, Geo-spatial applications, and Sustainable solutions"

Faculty of Geomatics focuses on bringing seasoned researchers, academicians, and practitioners working in the field of Geo-Information Science and Technology, virtually - nationally and internationally, to discuss the upcoming technological trends, share their experiences empowering the people with geo-spatial information, and generate synergy between different interrelated disciplines to come up with viable and sustainable solutions.

Call for extended abstracts From all disciplines that are relevant to Geo-spatial Sciences but not limited to following focus areas

- New Generation of Mapping
- Advancement of Geospatial Science
- GNSS and Location-Based Services
- Ground-based, Air-, and Space-borne Imaging for Earth Observations
- Land Management, Urban Studies, and Built Environment
- Geospatial Science in Land, Fresh Water, and Ocean
- Geodetic Surveying
- Information Technology, Data Science and Social Media in Geo-informatics
- Geospatial Science in Health, Climate Resilience, Disaster Management, and Environmental Sustainability
- Geo-tools for Agriculture, Archeology, Engineering, and Eco-Tourism

Selected papers will be published in Sabaragamuwa University Journal or Journal of Geospatial Surveying of Faculty of Geomatics
(<https://www.sab.ac.lk/geo/jgs/>).

Important dates:

Opening of extended abstract submission
Closing of extended abstract submission
Extended to

30th April, 2021
~~30th June, 2021~~
15th July, 2021

- For more information : <http://www.icsusl.sab.ac.lk>
- Several virtual hands-on sessions will be conducted collaboratively with leading industry partners. Please secure your place by doing early registration. Updates will be notified via the Faculty of Geomatics (<https://www.sab.ac.lk/geo/>).
