Subject: CSSTEAP Announcement Brochures of PG Courses for the year 2020-21

Date: Fri, 17 Jan 2020 11:35:05 +0530

From: CSSTEAP Admissions <cssteap-admissions@iirs.gov.in>

To: CSSTEAP Admissions <cssteap-admissions@iirs.gov.in>

Dear Alumni of CSSTEAP,

Warm Greetings from CSSTEAP.

As you are aware, CSSTEAP has been regularly organizing courses in the fields of Remote Sensing and GIS, Satellite Communications, Global Navigation Satellite Systems, Space and Atmospheric Sciences, Satellite Meteorology and Global Climate, for the working scientists, managers, researchers, engineers and university educators.

We have so far conducted twenty-three Post Graduate Courses in RS&GIS (twenty fourth course is in progress), eleven courses in SATMET, eleven in SAS, eleven in SATCOM (twelfth is in progress) and two in GNSS (third is in progress) and several short terms courses/workshops, benefiting more than 2300 participants from AP region.

I am happy to inform that during the year 2020-21, following Post Graduate Diploma courses will be conducted:

- Twenty Fifth Post Graduate Course on Remote Sensing and GIS (RS&GIS) - commencing from July 1, 2020 – March 31, 2021 will be conducted at IIRS, Dehradun, India.
(https://www.cssteap.org/documents/25th_RSGIS_brochure.pdf)
- Twelfth Post Graduate Course on Satellite Meteorology and Global Climate (SATMET) – commencing from August 1, 2020 – April 30, 2021 will be conducted at SAC, Ahmedabad. (https://www.cssteap.org/documents/12th_SATMET_brochure.pdf)
- Twelfth Post Graduate Course on Space and Atmospheric Science (SAS) – commencing from August 1, 2020 – April 30, 2021 will be conducted at PRL, Ahmedabad.
(https://www.cssteap.org/documents/12th_SAS_Brochure.pdf)

I therefore request you to please circulate this to Government organizations /concerned departments, universities, libraries, etc. in your country to invite suitable nominations/ sponsorship to get benefit from these courses. The details of the courses and prescribed application forms are also available on website www.cssteap.org. Duly filled applications may be reached to the Centre no later than **February 28, 2020 for 25th RS&GIS PG Course and March 30, 2020 for 12th SATMET and 12th SAS PG Course.**

Since the medium of the instruction/teaching of the course is English, preference will be given to those who have competence in spoken and written English language and whose international travel expenses will be borne by their nominating/ sponsoring organization.

RS/GIS

21/2/60

Look forward to your kind action in circulating the Brochure to the concerned.

With kind regards,

Dr. S.P. Aggarwal
